

REMARKS

Applicants have amended claims 1, 11, 17, 18, 20, 22-24, 42-44, 48, 57, 58, 62 and 63; and have canceled claim 15. Accordingly, claims 1-14, 16-18, 20, 22-24, 42-44, 48, 57-58, and 62-63 remain pending.

Applicants' representative thanks the Examiner for the telephonic interview completed on October 4, 2007. During that telephonic interview, the parties discussed possible claim amendments to overcome the rejection in the Advisory Action. Applicants have amended claims accordingly. Should the Examiner need further information relating to the telephonic interview, she is asked to contact the undersigned.

The above Amendments To The Claims section identifies amendments made herein to the claims that were pending at the time of applicants' prior response (filed on August 3, 2007, in response to the Final Office Action) because the Advisory Action indicates that the amendments in the prior response have not been entered. If the Examiner desires to see amendments made herein to the claims in relation to their amendments made by their prior response filed on August 3, 2007, the Examiner is asked to contact the undersigned.

Based on these amendments and remarks, applicants respectfully request early allowance of this application. If the Examiner has any questions or believes a telephone conference would expedite prosecution of this application, the Examiner is encouraged to call the undersigned at (206) 359-6478.

Applicant believes the required fees are being paid with this response. However, if any additional fee is due, please charge our Deposit Account No. 50-0665, under Order No. 418268824US1 from which the undersigned is authorized to draw.
